Renie was always in need of new thrills and had a way of getting whatever she wanted. Even as a girl she knew everything a grown woman should and how to use her assets to her advantage. Naturally, it wouldn't be surprising for such a girl to become the wife of an important man. After all, a good leader needs a good companion-and Renie was a natural, especially when her husband got into politics. Now, with the chance of becoming first lady, she'll do whatever and whoever it takes to get to the top. Many have tried to get in Renie's way, but when you're dealing with a sly minx like her, you better believe she'll go to limit of degradation and beyond!.
